MINISTRIES

Merry Christmas

Beloved ones,

I Praise God for another year to have served King Jesus by blessed Holy Spirit. Many have come to know Jesus Christ as Lord and grown in Grace through this ministry! A hearty "Thank you" for all who have supported financially as well as those who have prayed for me, our team and the Outreach Work of God! Amen.

The 'Fight of Faith' **1 Tim.6:12** has been very intense at times for this Revival Ministry to continue but God has touched faithful ones to help and we soldier on Victoriously.

Lord willing we will continue to send out encouraging Newsletters and move through the telecast programs and Services to "get the word out" to save souls!

It would be a great blessings to go into 2019 in good financial shape so if God touch's your heart please remember us on your Christmas list!

I hope you are on board with me! Gods will be done. May God Richly Bless you & those so dear with a safe Christ Honoring Christmas season ... From all of us on the Eternity Club team sincerely. Love & Prayer

"By the time you read this we would have once again had our 'Outreach dinner' with food bank folks + the good news given with an altar call.
Praise God!"
