From Audrey's Heart to Yours

Beloved Ones,

It is sad that most Christians 'worldwide' do not know their inheritance as God's children.

Most of us just scratch the surface of our fuller inherited blessings! The more we know who we are IN Christ and what His word promises us, we will be stronger in life. Amen!

Now how do we get to 'know' our inheritance? Read God's Holy Word, and the verses (promises) you see to bless your life, pray for them in the Name of our Lord Jesus Christ. Bow in your heart and say "Blessed Holy Spirit make this verse real to me in my Lord Jesus name. Amen". Then speak the verse aloud and personalize it!

Immediately Blessed Holy Spirit begins to make it real: it is called "claiming a promise."

Wouldn't you like these verses to be real in your life! 2 Tim 1:6-7 "Therefore I remind you to stir up the gift of God which is in you through the laying on of my hands. For God has not given us a spirit of fear, but of power and of love and of a sound mind." + Col 1:9-13 especially verse 11 & 12 strengthened with **all** might, according to His glorious power, for all patience and longsuffering with joy; giving thanks to the Father who has qualified us to be partakers of the inheritance of the saints in the light!

Well, dear ones, "Pray" them into your life! Be Blessed as God's word becomes alive, the Rhema Word!

Love + prayer in Christ Harvest

A Life Changing Autobiography
Book by Rev. Audrey Mabley

God has created in mankind a desire for life, and the desire to have it more abundantly. We all know, however, that trials, troubles, health concerns, family and relation problems can come our way. This book tells the true story of how these difficulties were handled in a way that saw them overcome and caused one to blossom like a rose – truly revealing how God can turn all things to good, and how He can make all things beautiful in His time. The words within are written to give hope, encouragement, and faith for the reader to come to truly know God's love and His enabling abundant grace that causes us to walk stronger and enjoy life.
